MEMO

To: Mary Beth deBeau
Fr: Frank Frassetto c/o Citizens for Tom Petri

Mary Beth, here is information that should clear up the two instances that you brought to light in your April 20th letters.

There is one issue I'm uncomfortable with and it has to do with the Advancement of Psychology, Inc.. Even though you will see it as General and we entered it as such, based on the memo section of the check, I would prefer that it be applied to the primary because when we picked it up at the post office, it was after the general election. I would like to know if a redesignation letter is required.

Please let me know at your earliest convenience.

Thank you.
